New Hampshire State Legislative Scorecard

See how Members of the New Hampshire General Court are voting on economic growth issues.

Club for Growth Foundation is a 501(c)(3) non-profit organization focused on educating the public about the value of free markets, pro-growth policies, and economic prosperity.

State Scorecards are created by the Club for Growth Foundation to educate the public about the voting records of the legislators who serve in state legislatures. It is part of a larger scorecard project that the Club for Growth Foundation has created to educate the public about the economic positions taken by legislators in states across the country.

Methodology | New Hampshire 2019

Club for Growth Foundation publishes the scorecard study so the public can monitor the actions and the voting behavior of New Hampshire's elected state lawmakers on economic growth issues.

The Foundation conducted a comprehensive examination of each lawmaker's record on votes related to pro-growth policies and computed an Economic Growth Score on a scale of 0 to 100. A score of 100 indicates the highest support for pro-growth policies.

The Foundation examined legislative votes related to the Foundation's immediate pro-economic growth policy goals, including:

- Reducing or eliminating tax rates and enacting tax reform
- Limited government through limited spending and budget reform
- Regulatory reform and deregulation
- Ending abusive lawsuits through medical malpractice and tort reform
- Expanding school choice
- Implementing term limits

Not all of these policy goals will come up for a vote in each legislative session.

The Foundation also examined votes on bills that would directly harm these goals.

This scorecard is based on selected votes of importance to the Foundation, and does not include the complete voting record of any legislator. There are inherent limitations in judging the overall qualifications of any legislator based on a selected voting record, and the Foundation does not endorse or oppose any legislator for public office.

2019 LEGISLATIVE ACTIONS CONSIDERED IN NEW HAMPSHIRE

The Foundation’s study examined over 440 floor votes and, in the end, included 22 New Hampshire House votes and 15 New Hampshire Senate votes.

COMPUTATION

Scores are computed on a scale of 0 to 100. Each vote or action in the rating is assigned a certain number of points depending on its relative importance. If a lawmaker casts a correct vote, the scorecard will denote it with that number. If a lawmaker casts an incorrect vote, the scorecard will denote that vote with a hyphen (-). Absences are not counted – signified as an “X” on the scorecard – though the Foundation reserves the right to do so if, in its judgment, a lawmaker’s position was otherwise discernible. If a lawmaker was not officially sworn into office at the time of a vote, the scorecard will denote that vote with an “I”.

To provide some additional guidance concerning the scores, each lawmaker was

ranked. Lawmakers with 0% scores are, by default, ranked #348 in the House and #12 in the Senate. Scores and ranks cannot be directly compared between the House and Senate, as different votes were taken in each chamber. If applicable, the study also records a “Lifetime Score” for each lawmaker. This is a simple average of the scores from 2019 and all previous years where the lawmaker earned a score.

In some cases, a lawmaker was not present for enough votes for a meaningful score or ranking to be computed. In such cases “n.a.” for not applicable appears. In computing lifetime scores, years with “n.a.” listed instead of a score are not included. Comparing such scores to other members without “n.a.” years may be misleading.

ADDITIONAL FACTORS

A study of roll call votes on the floor of the New Hampshire House and New Hampshire Senate and legislative actions is just that. It cannot account for a lawmaker’s work in committee, advocacy in his party’s caucus meetings, and effectiveness as a leader in advocating pro-growth policies.

“Through the release of this series, the Club for Growth Foundation is looking at how state legislatures perform in terms of pro-growth policies. We believe that this scorecard will help inform citizens and entrepreneurs about who supports the policies that are good for economic prosperity.”

HB 3

THE 2020-2021 STATE BUDGET

(CFGF OPPOSES)

The state's official budget would spend \$12.9 billion over the next two years - an increase of more than 10% over the previous budget. This increase in spending is well over the growth in population plus inflation - a common benchmark used to track the growth in the size of government. On the motion of "Ought to Pass," the New Hampshire House passed this bill, 327-29, on September 25, 2019. The New Hampshire Senate passed it, 24-0, on the same day.

HB 4

THE 2020-2021 STATE BUDGET

(CFGF OPPOSES)

This bill accompanies HB3 as part of the budget process. While HB3 is the bill that actually allocates the money within the budget, HB4 makes the updates to existing law that enables the spending changes. On the motion of "Ought to Pass," the New Hampshire House passed

this bill, 316-40, on September 25, 2019. The New Hampshire Senate passed it, 23-1, on the same day.

HB 692

NEW DENTAL COVERAGE FOR MEDICAID

(CFGF OPPOSES)

This bill removes the prohibition of dental coverage within the state's Medicaid program. Rather than expand government-run healthcare with new services, lawmakers should be passing legislation that keeps the government out of the health insurance industry. On the motion of "Ought to Pass," the New Hampshire Senate passed it, 24-0, on May 2, 2019. The New Hampshire House passed it by voice vote on June 13, 2019.

SB 1

MANDATORY FAMILY LEAVE PROGRAM WITH TAX HIKE

(CFGF OPPOSES)

This bill would implement a new government

program providing mandatory paid family and medical leave benefits financed by a new half-percent income tax. On the motion of "Ought to Pass as Amended," the New Hampshire Senate passed the bill, 13-10, on February 14, 2019. The New Hampshire House passed it, 219-142, on March 20, 2019.

SB 4

AFFIRMING THE HIGHER COST OF OBAMACARE

(CFGF OPPOSES)

Federal law under Obamacare mandates coverage for "essential benefits" that raises the cost of insurance for everyone. This bill would keep those mandates in place in the event that Obamacare is repealed. On the motion of "Ought to Pass as Amended," the New Hampshire Senate passed this bill, 22-1, on March 27, 2019. The New Hampshire House passed it, 213-137, on May 8, 2019.

SB 5

MORE MENTAL HEALTH COVERAGE FOR MEDICAID

(CFGF OPPOSES)

This bill would increase spending under Medicaid for mental health issues by \$3 million. Rather than expand government-run healthcare, lawmakers should be passing legislation that keeps the government out of the health insurance industry. On the motion of “Ought to Pass,” the New Hampshire Senate passed this bill, 24-0, on January 31, 2019. The bill went to the New Hampshire House where a slightly amended version passed, 207-130, on May 8, 2019.

SB 10

NEW MINIMUM WAGE

(CFGF OPPOSES)

The minimum wage is a price control on labor. Increasing or expanding the minimum wage often has the opposite desired effect, leading to job losses and shortages. This bill would establish a new statewide minimum wage starting at \$10 an hour and gradually going up to \$12 in 2022. On the motion of adopting the conference

committee report, the New Hampshire House passed this bill, 207-143, on June 27, 2019. The New Hampshire Senate passed it, 14-10, on the same day.

SB 57

REPEAL OF THE UTILITY PROPERTY TAX

(CFGF SUPPORTS)

This bill would phase out and ultimately repeal the utility property tax, saving ratepayers over \$42 million a year. On the motion of “Inexpedient to Legislate,” the New Hampshire Senate voted, 14-10, on March 7, 2019. This effectively killed the bill.

SB 100

NEW REGULATIONS ON HIRING

(CFGF OPPOSES)

This bill would prohibit public and private employers from inquiring about prior arrests or criminal charges on an employment application, or run a criminal background check before the initial interview. Businesses should be free of government interference when they make hiring decisions. On the motion of “Ought to

Pass as Amended,” the New Hampshire Senate passed this bill, 16-8, on March 28, 2019. The New Hampshire House passed it, 217-130, on May 23, 2019.

SB 168

HIGHER SOLAR ENERGY MANDATE

(CFGF OPPOSES)

This bill would increase the solar energy mandate within the state’s renewable portfolio standard from .07 today to 5.4 percent in 2025. This restrictive regulation will likely lead to higher costs for the consumer and stalled economic growth in the state. On the motion of “Ought to Pass as Amended,” the New Hampshire House passed this bill, 217-139, on June 6, 2019. The New Hampshire Senate passed it, 14-10, on June 13, 2019.

SB 242

BLOCK OUT-OF-STATE SALES TAX COLLECTION

(CFGF SUPPORTS)

This bill prohibits other states from forcing New Hampshire businesses to collect sales taxes for

them. New Hampshire does not have a sales tax so forcing them to incur costs is both anti-growth and likely unconstitutional. On the motion of “Ought to Pass,” the New Hampshire Senate passed this bill, 24-0, on February 21, 2019. The New Hampshire House passed it, 308-25, on June 6, 2019.

SB 247

SUNNY DAY SLUSH FUND

(CFGF OPPOSES)

This bill would create a “Sunny Day” fund that would provide \$10 million in research grants for competitive startup companies. This sort of activity crowds out private investment and is not a core function of government. On the motion of “Ought to Pass as Amended,” the New Hampshire Senate passed this bill, 22-2, on March 21, 2019. The bill failed to reach the New Hampshire House.

SB 249

UNIONIZING LEGISLATIVE STAFF

(CFGF OPPOSES)

This bill would establish the New Hampshire legislature as a public employer so that nonpartisan employees could unionize and establish procedures for collective bargaining. This would likely result

in a more rigid bureaucracy and higher costs for taxpayers. On the motion of “Ought to Pass,” the New Hampshire Senate passed this bill, 14-10, on March 14, 2019. The bill died in the New Hampshire House.

SB 271

LABOR UNION WAGES FOR PUBLIC PROJECTS

(CFGF OPPOSES)

This bill would require all workers to be paid high “prevailing wages” for state-funded public works projects, resulting in higher costs to taxpayers. On the motion of “Ought to Pass as Amended,” the New Hampshire Senate passed this bill, 14-10, on March 14, 2019. The New Hampshire House passed it, 213-140, on May 8, 2019.

SB 275

HIGHER COSTS FROM ZERO EMISSION VEHICLES

(CFGF OPPOSES)

This bill requires that all of the state’s motor vehicles emit zero emissions by the year 2039. With a price tag of at least \$28 million and more bureaucracy caused by state agencies having to

consult with a Zero Emissions Vehicle committee, this is a needlessly burdensome law that will harm taxpayers. On the motion of “Ought to Pass as Amended,” the New Hampshire Senate passed this bill, 16-8, on March 14, 2019. The New Hampshire House passed it, 205-145, on May 8, 2019.

New Hampshire 2019 | House Vote Descriptions

CACR 12

PROHIBIT A STATE INCOME TAX

(CFGF SUPPORTS)

New Hampshire currently has no state income tax, but this proposal would put prohibition of such a tax into the state's constitution if the resolution is subsequently approved by two-thirds of the voters. On the motion of "Inexpedient To Legislate", the New Hampshire House voted, 206-143, on March 19, 2019. This effectively killed the bill.

HB 3

THE 2020-2021 STATE BUDGET

(CFGF OPPOSES)

The state's official budget would spend \$12.9 billion over the next two years - an increase of more than 10% over the previous budget. This increase in spending is well over the growth in population plus inflation - a common benchmark used to track the growth in the size of government. On the motion of "Ought to Pass", the New Hampshire House passed this bill, 327-

29, on September 25, 2019. The New Hampshire Senate passed it, 24-0, on the same day.

HB 4

THE 2020-2021 STATE BUDGET

(CFGF OPPOSES)

This bill accompanies HB3 as part of the budget process. While HB3 is the bill that actually allocates the money within the budget, HB4 makes the updates to existing law that enables the spending changes. On the motion of "Ought to Pass", the New Hampshire House passed this bill, 316-40, on September 25, 2019. The New Hampshire Senate passed it, 23-1, on the same day.

HB 120 (OTP)

NEW OCCUPATIONAL LICENSING REGIME

(CFGF OPPOSES)

Occupational licensure laws restrict innovation and job growth. It's also a prime example of regulatory capture where industry can control its own competition through the political process.

This bill would require licensing and inspection for tattoo artists. On the motion of "Ought to Pass", the New Hampshire House passed this bill, 255-115, on January 31, 2019. After passage, it was referred to the House Finance Committee (see next vote).

HB 120 (OTPA)

NEW OCCUPATIONAL LICENSING REGIME

(CFGF OPPOSES)

This bill was further amended by the Finance Committee to include the regulation of massage therapists and massage establishments. On the motion of "Ought to Pass as Amended", the New Hampshire House voted, 218-155, on April 4, 2019. The bill died in the New Hampshire Senate.

HB 277

STUDY ON GOVERNMENT-RUN HEALTHCARE

(CFGF OPPOSES)

This bill would establish a commission that would study a possible "public option" for health insurance. This would be the first step towards

more government control and bureaucracy in the health insurance industry. On the motion of “Ought to Pass”, the New Hampshire House passed this bill, 211-141, on March 19, 2019. The bill died in the New Hampshire Senate.

HB 558

BAN ON PLASTIC STRAWS

(CFGF OPPOSES)

This bill would prohibit any food service company from handing out plastic straws unless a customer requests one. Private companies should be able to make decisions like this without interference from the government. On the motion of “Ought To Pass as Amended”, the New Hampshire House voted, 196-146, on March 19, 2019. The bill died in the New Hampshire Senate.

HB 560

BAN ON PLASTIC BAGS

(CFGF OPPOSES)

This bill would prohibit certain retail establishments from providing plastic bags to its customers unless the business charged at least ten cents for each bag. Private companies

should be able to make decisions like this without interference from the government. On the motion “Ought to Pass as Amended”, the New Hampshire House passed the bill, 201-145, on March 19, 2019. The bill died in the New Hampshire Senate.

HB 622

RIGHT TO WORK

(CFGF SUPPORTS)

This pro-growth bill, also known as “Right to Work” legislation, would prohibit collective bargaining agreements that require employees to join or contribute to a labor union. On the motion of “Inexpedient To Legislate”, the New Hampshire House voted, 214-135, on March 7, 2019. This effectively killed the bill.

HB 623

REPEAL OF BUSINESS TAX CUTS

(CFGF OPPOSES)

This bill would repeal scheduled cuts to the state’s Business Profits Tax and the Business Enterprise Tax. Doing so would discourage economic growth and job creation. On the motion of “Ought To Pass as Amended”, the

New Hampshire House passed this bill, 200-141, on February 28, 2019. It subsequently died in the House Finance Committee.

HB 629

NEW DEFINED CONTRIBUTION PLANS

(CFGF SUPPORTS)

Across the country, lawmakers have failed to adequately fund defined benefit plans for public employees, racking up billions in unfunded liabilities. This bill would establish a defined contribution plan for all new state employees, thus limiting the risk that taxpayers will have to pay in the future. On the motion of “Inexpedient To Legislate”, the New Hampshire House voted, 224-137, on March 7, 2019. This effectively killed the bill.

HB 641

NEW HOTEL TAX

(CFGF OPPOSES)

In a dubious effort to boost tourism, this anti-growth bill would allow municipalities to impose a \$2 occupancy tax per day on hotel rooms. On the motion of “Ought To Pass as Amended”,

the New Hampshire House passed the bill, 209-146, on April 4, 2019. The bill died in the New Hampshire Senate.

HB 686

NEW CAPITAL GAINS TAX

(CFGF OPPOSES)

This “tax and spend” bill would impose a new five percent tax on capital gains. The proceeds would be used to lower property taxes, but also to increase spending on education grants. This anti-growth bill would grow government and hinder job creation. On the motion of “Ought to Pass as Amended”, the New Hampshire House passed this bill, 199-143, on February 28, 2019. It subsequently died in the House Finance Committee.

SB 1

MANDATORY FAMILY LEAVE PROGRAM WITH TAX HIKE

(CFGF OPPOSES)

This bill would implement a new government program providing mandatory paid family and medical leave benefits financed by a new half-

percent income tax. On the motion of “Ought to Pass as Amended”, the New Hampshire Senate passed the bill, 13-10, on February 14, 2019. The New Hampshire House passed it, 219-142, on March 20, 2019.

SB 4

AFFIRMING THE HIGHER COST OF OBAMACARE

(CFGF OPPOSES)

Federal law under Obamacare mandates coverage for “essential benefits” that raises the cost of insurance for everyone. This bill would keep those mandates in place in the event that Obamacare is repealed. On the motion of “Ought to Pass as Amended”, the New Hampshire Senate passed this bill, 22-1, on March 27, 2019. The New Hampshire House passed it, 213-137, on May 8, 2019.

SB 5

MORE MENTAL HEALTH COVERAGE FOR MEDICAID

(CFGF OPPOSES)

This bill would increase spending under Medicaid

for mental health issues by \$3 million. Rather than expand government-run healthcare, lawmakers should be passing legislation that keeps the government out of the health insurance industry. On the motion of “Ought to Pass”, the New Hampshire Senate passed this bill, 24-0, on January 31, 2019. The bill went to the New Hampshire House where a slightly amended version passed, 207-130, on May 8, 2019.

SB 10

NEW MINIMUM WAGE

(CFGF OPPOSES)

The minimum wage is a price control on labor. Increasing or expanding the minimum wage often has the opposite desired effect, leading to job losses and shortages. This bill would establish a new statewide minimum wage starting at \$10 an hour and gradually going up to \$12 in 2022. On the motion of adopting the conference committee report, the New Hampshire House passed this bill, 207-143, on June 27, 2019. The New Hampshire Senate passed it, 14-10, on the same day.

SB 100

NEW REGULATIONS ON HIRING (CFGF OPPOSES)

This bill would prohibit public and private employers from inquiring about prior arrests or criminal charges on an employment application, or run a criminal background check before the initial interview. Businesses should be free of government interference when they make hiring decisions. On the motion of “Ought to Pass as Amended”, the New Hampshire Senate passed this bill, 16-8, on March 28, 2019. The New Hampshire House passed it, 217-130, on May 23, 2019.

SB 168

HIGHER SOLAR ENERGY MANDATE (CFGF OPPOSES)

This bill would increase the solar energy mandate within the state’s renewable portfolio standard from .07 today to 5.4 percent in 2025. This restrictive regulation will likely lead to higher costs for the consumer and stalled economic growth in the state. On the motion of “Ought to

Pass as Amended”, the New Hampshire House passed this bill, 217-139, on June 6, 2019. The New Hampshire Senate passed it, 14-10, on June 13, 2019.

SB 242

BLOCK OUT-OF-STATE SALES TAX COLLECTION (CFGF SUPPORTS)

This bill prohibits other states from forcing New Hampshire businesses to collect sales taxes for them. New Hampshire does not have a sales tax so forcing them to incur costs is both anti-growth and likely unconstitutional. On the motion of “Ought to Pass”, the New Hampshire Senate passed this bill, 24-0, on February 21, 2019. The New Hampshire House passed it, 308-25, on June 6, 2019.

SB 271

LABOR UNION WAGES FOR PUBLIC PROJECTS (CFGF OPPOSES)

This bill would require all workers to be paid high “prevailing wages” for state-funded public works

projects, resulting in higher costs to taxpayers. On the motion of “Ought to Pass as Amended”, the New Hampshire Senate passed this bill, 14-10, on March 14, 2019. The New Hampshire House passed it, 213-140, on May 8, 2019.

SB 275

HIGHER COSTS FROM ZERO EMISSION VEHICLES (CFGF OPPOSES)

This bill requires that all of the state’s motor vehicles emit zero emissions by the year 2039. With a price tag of at least \$28 million and more bureaucracy caused by state agencies having to consult with a Zero Emissions Vehicle committee, this is a needlessly burdensome law that will harm taxpayers. On the motion of “Ought to Pass as Amended”, the New Hampshire Senate passed this bill, 16-8, on March 14, 2019. The New Hampshire House passed it, 205-145, on May 8, 2019.
